Pre-requisites

There are no pre-requisites to  implementation.

All you need is an Internet access and a browser

No matter how big or small your sales team,
you just pay an annual license fee based on the number of users.

With  *Sales Mantra* , you have no hardware and software to buy and/or maintain.

The application is maintained and supported by

FSL Software Technologies Ltd.

 *Sales Mantra* is the simplest, user friendly and yet the most powerful system in the market place today.

Minimal user training is required to get going with the application.

Its as simple as browsing a website.

SOFTWARE PAYS FOR ITSELF

With a Customer friendly pricing,

is by far the most cost-effective solution in the marketplace today !!!

Lack of user adoption

- Sales executives are not amenable to reporting sales data
- Most implementations fail due to lack of adoption
- Users tend to view these systems as an obstacle to work

Management Support is required to ensure these minor obstacles are overcome and small change in process is implemented to reap much much higher benefits for all times to come.

We are ready when you are...

Automate your sales force today !
